Simon's Rock to Host Discovery Day for Prospective Students April 22, 2023

GREAT BARRINGTON, MA— Simon's Rock will host Discovery Day on April 22, 2023. Discovery Day is designed to give prospective students and families a chance to tour the campus, meet faculty and students, and get to know the Simon's Rock community. Since Simon's Rock is an early college, this is a unique look at the opportunity to leave high school after 10th or 11th grade. Discovery Day also includes a more in-depth exploration of Simon's Rock's academic and residential programs, professor mentorship, and the admission and financial aid process. Staff will be on hand to answer questions.

The event will run from 11 am to 3 pm this Saturday. The schedule for the day involves a student panel, campus tour, sample class, and faculty panel.

About Simon's Rock

[Bard College at Simon's Rock](#) is the only college in the country specifically designed for highly motivated students ready to enter college after the 10th or 11th grade. Simon's Rock offers a challenging program in the liberal arts and sciences, taught exclusively in small seminars by supportive, highly trained faculty, who are leading scholars in their fields. The College grants degrees in more than 35 majors. The Princeton Review's *Best 380 Colleges* rates academics at Simon's Rock higher than Harvard and Princeton.

[Bard Academy at Simon's Rock](#) is the nation's first two-year boarding and day program designed to prepare 9th and 10th graders to start college early. A student entering Bard Academy as a high school freshman will earn an Associate of Arts degree from Bard College at Simon's Rock after only four years and a Bachelor of Arts degree after only six years. The Academy curriculum is designed and taught by students' future college professors who are leading scholars in their fields.
